

Exam Retest Form

Thank you for your interest in pursuing your certification through re-testing. All candidates wishing to retake APSP certification exams must submit an Exam Retest Form to the APSP. No retake exam may be scheduled by anyone in the exam process until the candidate has been officially notified of the results of their previously taken exam. No candidate will be allowed to retake an exam until 30 days have passed from their initial test date.

APSP University policies permit you to re-test up to five (5) times within a one-year period of the initial test date. If unsuccessful on the fifth attempt, the candidate must wait until one year has passed since the initial test date before he/she is allowed to reapply to the program and take the exam.

3 Easy Ways to Retest:

- Retest at a PSI testing center near you.*
 - Computerized testing provides immediate test results and if needed, a strength and weakness report.
 - Computerized testing is available week days, weekends and most evenings.
 - APSP will send PSI your email address so that they can set up your account and schedule your exam when it is convenient to you.
 - There is no additional cost as your exam registration fee includes computerized testing.
 - Please note this is the only option offering immediate results and an immediate strengths and weakness report.
- Retest at an APSP national, regional or chapter-sponsored education and testing event.*
 - A list of upcoming events can be found on the APSP University page at www.apsp.org.
 - Results and strengths and weakness report, if applicable, can be expected in 3-4 weeks.
- Retest at a community college or university near you.*
 - Proctored exams must be taken at an accredited college or university.
 - If you opt to take the exam at a college or university test center, or chapter event, there may be an additional exam proctor fee that you will pay directly to the proctor at the time of the exam.** These fees can vary, but typically are from \$0-\$40.
 - Results and strengths and weakness report, if applicable, can be expected in 3-4 weeks.
 - If retesting at a college or university, participants are responsible for the following:
 - Scheduling an appointment for testing at a local community college or university testing center.
 - Submitting this form at least two weeks prior to your exam date to ensure test materials arrive on time.
 - Providing APSP University with the name, full mailing address and exam date in the section below.
