Instructions: Participant’s Qualifications and Agreement

Part A of the CBP Certified Building Professional® Application consists of two portions: a series of qualifying questions and commitments, which the applicant must fill in and affirm, and a statement of the agreement between APSP and the applicant. Both portions (or subparts) must be signed by the applicant, and all statements must be affirmed. This part is not valid until accepted and countersigned by an authorized APSP staff representative, and does not confer any right or benefit unless the applicant successfully completes the multiple-choice exam.

Participant’s Qualifications and Commitments

Receiving the CBP Certified Building Professional® designation is based not merely on the knowledge of how to build pools and spas. To be a CBP Certified Building Professional®, you must also demonstrate business competence in areas such as budgeting, profit and loss, and customer relations.

In order to determine your eligibility for the designation of CBP Certified Building Professional®, you are required to answer the following questions. APSP may require you to provide additional information to clarify your answers before APSP can grant your certification even though you may obtain a successful, passing grade on the exam.
