

Make the most of your 2018 International Pool | Spa | Patio Expo experience by attending an APSP certification course! You can even sit for the exam while you're there, and knock out all of the steps to certification at once.

Courses are available for every experience level and specialty, whether you're a service professional, builder, hot tub professional or commercial pool operator:

- [PSCC Pool & Spa Construction Course](#)
- [CST Certified Pool & Spa Technician Course](#)
- [CMS Certified Pool & Spa Maintenance Course](#)
- [CHTT Certified Pool & Spa Hot Tub Technician Course](#)
- [PPSO Professional Pool & Spa Operator Course](#)
- [TTT Train the Trainer Course](#)

All education sessions require registration, so register today for the [2018 PSP Expo](#).

We look forward to seeing you all at Expo Oct. 31–Nov. 2!

Silvia Uribe
APSP Director of Education
